

WEST COBB GIRLS' SOFTBALL INC.

To: **WCGS Spring Scholarship Applicants**

From: **West Cobb Girls Softball Scholarship Committee**

The minimum requirements for eligibility are as follows:

1. You must play or coach in the Spring FP14+ group and or a sanctioned WCGS travel team during your last year of eligibility and/or the year you are a senior in high school. The word "play" means you must actively participate in the majority of practices and games with your team. The word "coach" means to either be head coach or an assistant on a WCGS rec team and participate in the majority of practices and games with your team.
2. You must have played at least four (3) out of your last five (4) Spring seasons of your eligibility.
3. You must have played in the WCGS Rec. or Travel Program for a minimum of five (5) years. Participation in other park's programs does not count.
4. You must be accepted into a recognized institution of learning or the US Armed Forces. Examples include a university or college, trade school, business school, nursing school, art school, etc.

If you do not meet these requirements but feel there is reason your application should be considered for this year's scholarship, complete the application and include a detailed explanation why the WCGS Scholarship Committee should consider your request. There is no guarantee you will receive an award.

These scholarships will be awarded based on participation in the West Cobb Girls Softball program not on a girl's skill level. Beyond a girl's number of years of participation the scholarship committee considers other contributions to the program such as community service, coaching, etc.

After completing the application form, please submit it with all the requested documentation. **It must be received no later than June 15th.** Please be sure to keep copies of all documents submitted.

All WCGS Scholarship recipients will be notified of their pending awards prior to the awards ceremony tentatively scheduled for mid June.

Thank you for your interest in the WCGS Scholarship Program,
